

Graduation Catering Central!

Answers to all your questions

How do I book Ryke's to cater my party?

A 25% up to \$400 **non-refundable deposit** will secure your date. To get on the calendar, please call the catering office at 231-726-2253 ext 26.

How much food should I plan for?

Determine how many people will come that are hungry. Start by reviewing your invitation list. Divide the people into one of the following lists (A or B):

A List: Add up the number of people you can count on to come hungry (close relatives, close friends) _____

B List: Add up the rest of the people and cut in half. Our logic here is that more may come but they won't eat much. + _____

Add A and B lists together to determine the number of people you should plan to serve: = _____

What if I need to change my catering order?

A final count must be turned in 10 days prior to your event. We can increase number but can not decrease numbers as preparations have already been made for your event. Final payment is due 5 days prior to your event.
